Short Description

Brown Waxy Hiker Boot

Long Description

Made from a single piece of full grain waxy hide, these boots have a padded bellows tongue to protect feet and keep them dry. The design also includes a rugged heel support for stability and a strong toe bumper for extra strength when you need it.

CE Specification

EN ISO 20345:2011 S3 HRO SRC

Upper

Water resistant and breathable. Waxy crazy horse leather. Reinforced stitching and bound bellows tongue edge for extra strength. Speed lacing system. Deep padded scoop collar and pull-on loop.

Lining

Padded, moisture wicking and highly breathable. Cool in summer, warm in winter.

Footbed

VS100 twin shock absorbing footbed is contoured to supports and cradles the foot.

Toecap

Wide fitting composite non sparking and thermal insulating. Tested to impact of 200 Joules.

Protective midsole

Flexible corrosion resistant steel, pierce resistant to 1100N

Sole

3D - a clever combination of 3 densities of polyurethane and Rubber. Ensures high slip, heat and abrasion resistance as well as comfort. Multi-directional tread ensures good traction in a variety of conditions. Heat resistant to approximately 300°C.

Size range

6-12 (39-47)
